October 2009

Dear Parents and Students of the Graduating Classes of 2010, 2011 and 2012:

I am writing to inform you of a provision of the federal *No Child Left Behind Act of 2001*. Specifically, the provision requires school districts to provide students' names, addresses, and telephone numbers to military recruiters when requested. The provision also states that schools must notify parents and students that they have the right to have their personal information **removed from the list**.

To exercise your legal right to have this information kept private, you must use the enclosed form to notify us that you do not wish to be included. Unless you choose to take advantage of this "opt out" procedure, the school district cannot refuse military recruiters' requests. Consequently, you and your child may be contacted by one or service branches.

To "opt out" of the military recruitment provisions of the NCLB Act, please complete the enclosed form and return it to me by **November 13, 2009**. You may submit this form in person, by mail (school address above), or via fax (812-3838). Please note that this letter is being sent to all sophomores, and to those juniors and seniors who do not already have a form on file. Forms submitted during prior years remain valid.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

James W. Polansky
Principal
